Gleadless Townend to Herdings Park

What's happening in Area 3?

Work will take place on Norton Avenue to replace worn out rail. These works will mean that Purple Route trams cannot operate from Gleadless Townend to Herdings/Leighton Road and Herdings Park tram stops. Some Purple Route trams will operate to Birley Lane to give extra capacity on the Blue Route, please see the enclosed timetable for more information.

To minimise disruption to passengers the P3 tram replacement bus service will operate between Gleadless Townend, Herdings/Leighton Road and Herdings Park during this time.

P3 buses are scheduled to link with Blue Route services at Gleadless Townend however this may not always be possible due to circumstances beyond our control such as road congestion.

Ticket Information

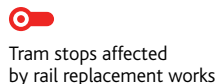

All tickets valid on tram services are valid on the P3 bus service. As the P3 is a dedicated tram replacement service, bus only tickets are not valid on the P3.

Tickets can be bought as usual from Supertram conductors or from the P3 bus driver.
